2.5. Swimming stage.

- The swimming stage is held in the pool. The distance is 300 m.

The length of the pool is 25 meters. The whole number of segments of 25 m, which the participant of the competition will swim, is taken into account.

Participants can use any type of swimming.

During the swimming stage, participants must use swimming caps and swimming goggles.
Prohibited: additional equipment that facilitates the rapid passage of the stage and the use of wetsuits.

Start from the side of the track, the participant can start from the bottom only at the beginning and at the end of the track.

A participant experiencing difficulties and discomfort, in need of medical assistance, should raise his hand above his head, wave, ask for help. At the same time, the participant who received medical assistance, even regardless of whether the request was voluntary or forced, must leave the race without continuing the fight.

If the Chief Judge of the competition or the stage judge considers that the participant who was assisted cannot continue the stage by seeking medical help during the start, the participant is prohibited from continuing and returning to the distance.

2.6. The cycling stage

- The cycling stage is held on an exercise bike. The distance is 8 km

Prohibited: the use of bicycle headphones, headphones, glassware.

Do not use a mobile phone during the cycling stage.

If the Chief Judge of the competition or the stage judge considers that the participant who was assisted cannot continue the stage by seeking medical help during the start, the participant is prohibited from continuing and returning to the distance.

To record the results of the stage, the built-in electronic console of the exercise bike is used.

2.7. The running stage is held in the "Trail OUTDOOR" format (the number of laps is 1).

The participant must receive a starting number and a timing chip, after reviewing the starting list (formed based on the results of the Swimming and cycling stages) from 15:00 to 16:00h. and go to the starting cluster before 16:00h.

from 15:30 to 15:58h. the judges at the participants of the starting class, line up all participants according to the starting number according to the lists

16:00h. START of the running stage.

The participants start at the signal of the Judges.

The first to start is the leader who has passed the two stages with the least time, the 2nd, 3rd, etc. participants start taking into account the time difference from the leader.

If this difference exceeds 7 minutes or more, one common start signal is given for such participants.

Prohibited: the use of headphones, glassware. Do not use a mobile phone during the stage.

If the Chief Judge of the competition or the stage judge considers that the participant who was assisted cannot continue the stage by seeking medical help during the start, the participant is prohibited from continuing and returning to the distance.
